## 2021 COVID-19 School Guidance Checklist

Name of Local Educational Agency or Equivalent:

Community Collaborative Charter School

Number of schools:

3

Enrollment:

411

Superintendent (or equivalent) Name:

Cindy Petersen

Address:

5112 Arnold Ave Ste A

Phone Number:

9162865129

City

McClellan

Email:

cindy.petersen@gcccharters.org

Date of proposed reopening:

TBD

County:

Sacramento

Current Tier:

Purple

*(please indicate Purple, Red, Orange or Yellow)*

Type of LEA:

Charter School

Grade Level (check all that apply)

TK

7<sup>th</sup>

10<sup>t</sup>

This form and any applicable attachments should be posted publicly on the website of the local educational agency (or equivalent) prior to reopening or if an LEA or equivalent has already opened for in-person instruction. For those in the Purple Tier, materials must additionally be submitted to your local health officer (LHO), local County Office of Education, and the State School Safety Team prior to reopening.

The email address for submission to the State School Safety for All Team for LEAs in Purple Tier is [K12csp@cdph.ca.gov](mailto:K12csp@cdph.ca.gov)

LEAs or equivalent in Counties with a case rate  $\geq 25/100,000$  individuals can submit materials but cannot re-open a school until the county is below 25 cases per 100,000 (adjusted rate) for 5 consecutive days.

### For Local Educational Agencies (LEAs or equivalent) in ALL TIERS:

X I, Christine McCormick Ed.D., Assistant Superintendent, post to the website of the local educational agency (or equivalent) the COVID Safety Plan, which consists of two elements: the **COVID-19 Prevention Program (CPP)**, pursuant to CalOSHA requirements, and this **CDPH COVID-19 Guidance Checklist** and accompanying documents, which satisfies requirements for the safe reopening of schools per CDPH [Guidance on Schools](#). For those seeking to open while in the Purple Tier, these plans have also been submitted to the local health officer (LHO) and the State School Safety Team.

I confirm that reopening plan(s) address the following, consistent with guidance from the California Department of Public Health and the local health department:

X **Stable group structures (where applicable):** How students and staff will be kept in stable groups with fixed membership that stay together for all activities (e.g., instruction, lunch, recess) and minimize/avoid contact with other groups or individuals who are not part of the stable group.

Students will be assigned to A/B cohorts to attend on designated school days  
All student workspaces will be placed six feet apart  
Student access to common areas will be limited  
Signage has been added to remind students and staff about symptoms of COVID 19 and the COVID 19 mitigation strategies

Please provide specific information regarding:

How many students and staff will be in each planned stable, group structure? (If planning more than one type of group, what is the minimum and maximum number of students and staff in the groups?)

CCCS K-8  
CCCS Main  
Firehouse:

If you have departmentalized classes, how will you organize staff and students in stable groups?

n/a

If you have electives, how will you prevent or minimize in-person contact for members of different stable groups?

X **Entrance, Egress, and Movement Within the School:** How movement of students, staff, and parents will be managed to avoid close contact and/or mixing of cohorts.

CCCS K-8:  
  
Arrive/Departure

\*Drop off will not be allowed any earlier than 8:15.

- Campus entrance and exit will be at two different gates.
- Foot traffic flow arrows will be painted or taped on the ground in hallways to increase physical distancing.
- Parents/ guardians will stay in cars (or outside the gate if they've traveled to school on foot) for drop-off and pick-up.
- Students will sanitize hands upon arrival and before departure at gate.
- Teachers will be ready to supervise students at 8:15 in their classrooms and will supervise students after school in their classrooms until parents/guardians arrive for pick-up.

Recess:

Physical distancing will be enforced during recesses.

- Cohorts will have separate recess times and opportunities to play outside.
- Each cohort will have their own set of play equipment (kept in classrooms).
- Line up areas will be painted on the blacktop. Lines will be physically distant.
- Mobil hand sanitizer stands will be stationed at entrance, exit, and playground gate
- Staff and students will sanitize hands before leaving the classroom for recess and upon return to the classroom, using Cintas dispensers in each classroom

Restrooms:

\*Partitions between urinals and bathroom sinks.

- Limit number of students in the bathroom at one time.

CCCS Main/Firehouse:

Students will be required to sign-in and out at the front desk.

- School personnel, parents or other visitors will be required to sign-in at the front desk. During a sign-out, all individuals will be required to indicate which areas of the campus were visited.
- Everyone should use hand sanitizer during sign-in.
- Students will have assigned seats in learning areas areas and will be expected to remain either in their lab/cohort area and/or restroom.
- Teachers/Para educators will maintain a daily list of students they interact with including where the interaction took place to facilitate contact tracing.
- Routes for entry and exit are designated, using one-way paths of travel, where feasible.
- Routes within school will be designated using one-way paths to and from restrooms and labs, where feasible

\*When students are dismissed they are expected to leave the school property immediately via public transportation, parent pickup and/or walking.

X

**Face Coverings and Other Essential Protective Gear:** How CDPH's face covering requirements will be and enforced for staff and students.satisfied

All staff and students will be required to wear a face covering at all times, including outdoor activities regardless of social distancing, unless exempted with a note from a medical doctor. Face coverings will only be removed for meals, snacks, naptime, or when it needs to be replaced. Students or staff who come to school without a face covering will be provided one. If a student or staff member refuses to wear a face covering they will be asked to leave campus and only allowed to return when they comply with the face covering requirement.

X **Health Screenings for Students and Staff:** How students and staff will be screened for symptoms of COVID-19 and how ill students or staff will be separated from others and sent home immediately.

Staff and students will conduct home health screenings. If a staff member or student should exhibit symptoms while at school, they will be removed immediately to the isolation area and arrangements made for the staff member or student to go home.

X **Healthy Hygiene Practices:** The availability of handwashing stations and hand sanitizer, and how their safe and appropriate use will be promoted and incorporated into routines for staff and students.

Hand sanitizing stations are available in high traffic areas of campus ie next to playgrounds and classrooms without sinks. Hand sanitizer dispensers are located inside every classroom and in common spaces (ie offices and work rooms). Staff and students have been trained on proper hygiene practices, including hand washing for at least 20 seconds, not touching their face with unwashed hands, covering their mouth when coughing or sneezing.

X **Identification and Tracing of Contacts:** Actions that staff will take when there is a confirmed case. Confirm that the school(s) have designated staff persons to support contact tracing, such as creation and submission of lists of exposed students and staff to the local health department and notification of exposed persons. Each school must designate a person for the local health department to contact about COVID-19.

A COVID 19 response team has been created consisting of the health team, central office staff and human resources staff. The health team (School nurse and LVN) have been assigned as the designated contact for the local health department and conduct all contact tracing in conjunction with the central office staff and human resources staff. When a confirmed case is discovered the school staff email the COVID 19 response team with all pertinent information. The COVID 19 response team then begins the contact tracing and notification process.

X **Physical Distancing:** How space and routines will be arranged to allow for physical distancing of students and staff.

All student work spaces are placed at least six feet apart  
Each student workspace will include a clear screen to increase and enforce separation between staff and students for additional protection.

Please provide the planned maximum and minimum distance between students in classrooms.

Maximum:  feet

Minimum  feet

If this is less than 6 feet, please explain why it is not possible to maintain a minimum of at least 6 feet.

X **Staff Training and Family Education:** How staff will be trained and families will be educated on the application and enforcement of the plan.

- \*Proper use, removal, and washing of face coverings.
- \* Physical distancing guidelines and their importance.
- \* Symptoms screening practices.
- \* COVID-19 specific symptom identification.

- \* How COVID-19 is spread.
- \* Enhanced sanitation practices.
- \* The importance of staff and students not coming to work they have symptoms, or if they or someone they live with or they have had close contact with has been diagnosed with COVID- 19.
- \*For staff, COVID-19 specific symptom identification and when to seek medical attention.
- \*The employer’s plan and procedures to follow when staff or students become sick at school.
- \*The employer’s plan and procedures to protect staff from COVID19 illness

X **Testing of Staff:** How school officials will ensure that students and staff who have symptoms of COVID-19 or have been exposed to someone with COVID-19 will be rapidly tested and what instructions they will be given while waiting for test results. Below, please describe any planned periodic asymptomatic staff testing cadence.

The COVID 19 response team will advise staff during the contact tracing process about testing and appropriate quarantine periods based on current guidance.

Staff asymptomatic testing cadence. Please note if testing cadence will differ by tier:

Immediate: symptomatic and response testing  
 Every two weeks: 25 % of staff are required to participate in asymptomatic testing  
 No changes to testing cadence based on tier

X **Testing of Students:** How school officials will ensure that students who have symptoms of COVID-19 or have been exposed to someone with COVID-19 will be rapidly tested and what instructions they will be given while waiting for test results. Below, please describe any planned periodic asymptomatic student testing cadence.

The COVID 19 response team will advise staff during the contact tracing process about testing and appropriate quarantine periods based on current guidance.

Planned student testing cadence. Please note if testing cadence will differ by tier:

Immediate: symptomatic and response testing  
 No asymptomatic testing cadence in place  
 No changes to testing cadence based on tier

X **Identification and Reporting of Cases:** At all times, reporting of confirmed positive and suspected cases in students, staff and employees will be consistent with [Reporting Requirements](#).

The COVID 19 response team is required to be notified of all staff and student cases. The response team uses the reporting requirements outlined in the COVID 19 Reopening guide as well as direction from the county health department to identify and report cases.

X **Communication Plans:** How the superintendent will communicate with students, staff, and parents about cases and exposures at the school, consistent with privacy requirements such as FERPA and HIPAA.

Communication is coordinated by the COVID 19 response team. The response team ensures that all communication are consistent with privacy requirements such as FERPA and HIPAA.

X **Consultation:** (For schools not previously open) Please confirm consultation with the following groups

Labor Organization

Name of Organization(s) and Date(s) Consulted:

Name:

Date:

Parent and Community Organizations

Name of Organization(s) and Date(s) Consulted:

Name:

Date:

*If no labor organization represents staff at the school, please describe the process for consultation with school staff:*

**For Local Educational Agencies (LEAs or equivalent) in PURPLE:**

Local Health Officer Approval: The Local Health Officer, for (state County) Plan, cases . County has certified and approved the CRP on this date: . If more than 7 business days have passed since the submission without input from the LHO, the CRP shall be deemed approved.
